

GRIN and BEAR IT

"We've rebuilt the engine and the odometer."

"WHOM?! What the heck kind of call is that?"

"I'm leaving you for the Budweiser lizards."

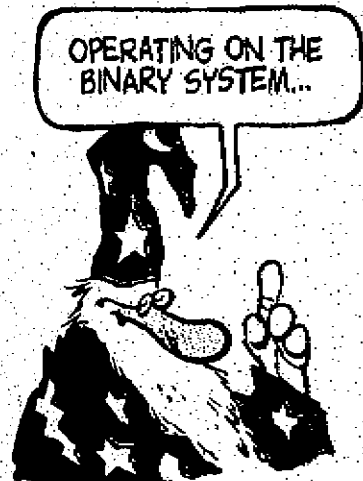

"It's okay, folks ... She sometimes faints at the sight of money."

SHOE

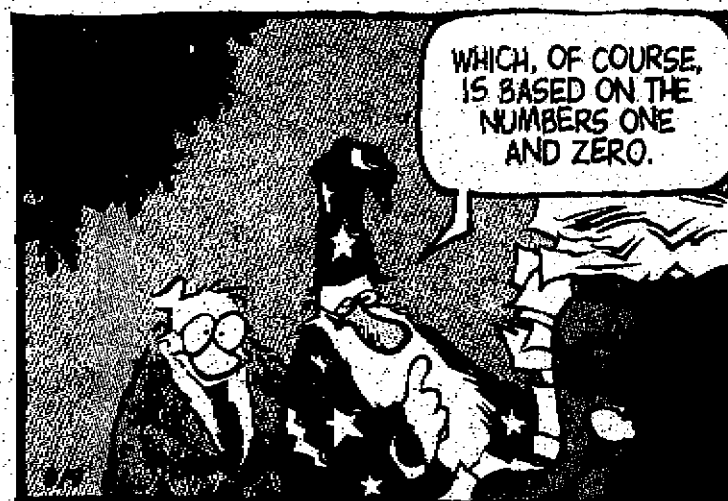

By Jeff MacNelly

YOU SEE, THE COMPUTER IS BASICALLY A SERIES OF TINY OFF AND ON SWITCHES

OPERATING ON THE BINARY SYSTEM...

WHICH, OF COURSE, IS BASED ON THE NUMBERS ONE AND ZERO.

OH YEAH, WE'VE BEEN USING THE BINARY SYSTEM FOR YEARS

I'M NUMBER ONE.

HE'S A ZERO.

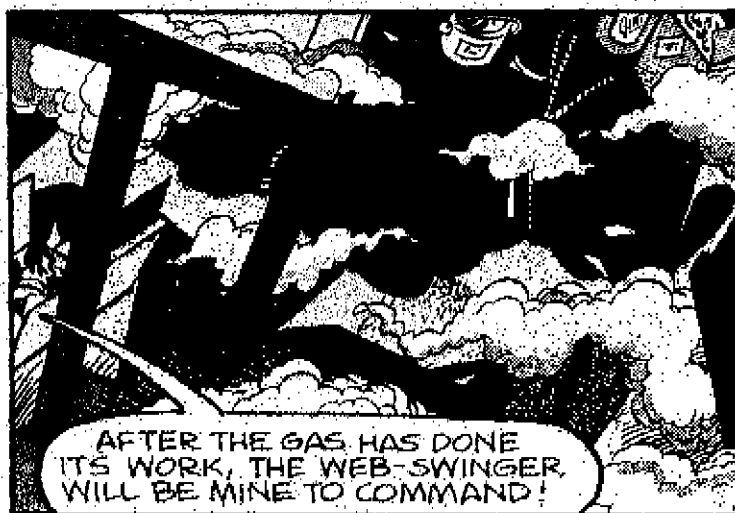

SPIDER-MAN

By Stan Lee and Flor Dery

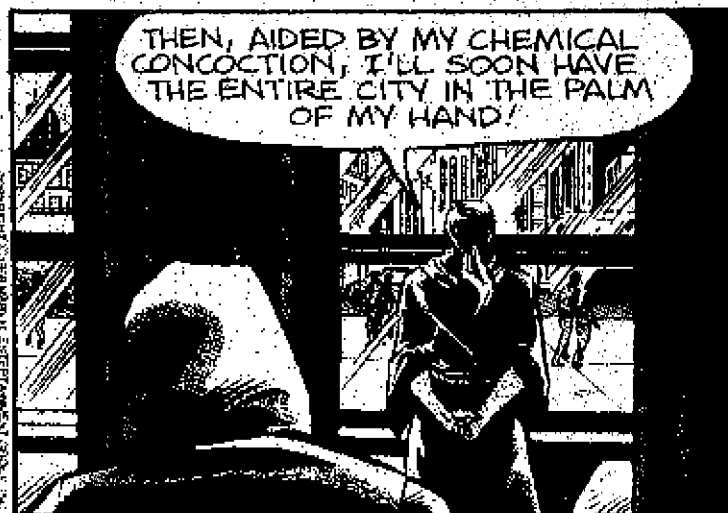

IT'S GREAT THE WAY YOU OUTSMARTED SPIDER-MAN!

JUST AS I'VE OUTSMARTED EVERYONE ELSE!

AFTER THE GAS HAS DONE ITS WORK, THE WEB-SWINGER WILL BE MINE TO COMMAND!

THEN, AIDED BY MY CHEMICAL CONCOCTION, I'LL SOON HAVE THE ENTIRE CITY IN THE PALM OF MY HAND!

MEANWHILE...
PETER SHOULD HAVE BEEN HOME BY NOW!

I WONDER IF HE'S ANGRY BECAUSE I DONATED SO MUCH MONEY TO "THE HELPER"?

STRANGE... I STILL CAN'T UNDERSTAND WHY I DID IT!

NEXT:
TO SAVE A SPIDER!
